PINNACLE

TO WHOMSOEVER IT MAY CONCERN

Pinnacle Knowledge Group LLC is one of the Group Companies of Al Sharif Group of UAE whose Assets are in the region of US\$.1.50 Billion are very happy to collaborate with VproV, A CAT Topper Mr. Rajesh Kumar's entity since November,2012

Mr. Rajesh Kumar a young Entrepreneur of innovative, out of box thinker who himself has been conducting workshops and classes personally for students whose ambition is to score very high percentage in competitive exams. He has been getting the highest rating by the participating students from different schools, Colleges and Universities in UAE.

What appealed to Pinnacle was Mr. Rajesh Kumar's pleasing manners, his convincing attitude and his high qualifications. We understand that he took high risk of starting his Venture VproV soon after his Post Graduate Studies in Management in IIM Bangalore 5 years ago to make his dream of becoming a High caliber Entrepreneur.

VproV has more than 38 centers in India and several collaborations across the Globe including our collaboration in UAE are proven to be best in this field. All this success is achieved within a short span of only 5 years only and we are very proud to be associated with Mr. Rajesh Kumar.

We are happy to state here that aspiring students are joining in large numbers regularly. Mr. Rajesh Kumar's greatest asset is that he is simple, approachable, dedicated and highly professional in teaching methods. It is an herculean task to train more than 750 of his staff in short span of 5 years who are meticulously following his tested methodology and ensure replication of his best teaching techniques, shortcuts etc. This has resulted in delegation of role and responsibilities in his organization which enabled VproV to achieve consistently high migration of students and enabled them to achieve best results.

Students who want to become successful entrepreneurs at very young age should learn from his unique experience.

WE WISH HIM ALL THE BEST.

G. Ramakrishnan,

M.Tech., PGDMS., MCIM(UK).,

Managing Director

Proposal: Corporate Training Automation & Control : ADMAC
