

This is Third year of working with VPROV for BANK PO/CLERICAL Exam Training Program . We started with a very small batch , wanted to reach out and help students . Today , we have a large batch of interested students , never missing a single class conducted by Mr. RAJESH . The methods of teaching are simple and his short cut techniques are very effective . Students have got placed in various banks , companies and come back and thank us for the classes . MOUNT CARMEL COLLEGE is very happy with this collaboration .
