19.08.2013

**TO WHOM SO EVER CONCERN**

Mr. S. Rajeshkumar, VPROV is known to me for past 3 years as he organized and conducted training and teaching classes on aptitude test for the benefit of B.Tech students studying in VIT University under STARS (Support The Advancement of Rural Students) scheme during the years 2011 and 2012.

The quality of training that Mr.Rajeshkumar imparted to the students was very effective.

The relationship of this trainer with the STARS students was informal and student friendly.

All the students benefited under his training rated his teaching and training the best.

VIT University wishes him for his glorious accomplishments in the years to come.
